Conventions: All conventions on the ACBL General Convention Chart are approved for any event at this tournament. For pair and team events, the mid-chart conventions for defense over notrump opening or overcalls are allowed. Mid-chart conventions, for which the ACBL has published approved defenses, may be used ONLY in the top bracket of the KO events, and then ONLY if NO team in the bracket averages fewer than 1500 masterpoints. Any pair using mid-chart conventions is responsible for having the published defenses at the table.

Playing Fees: All events are \$11 per person/per session. Players who have not paid their ACBL membership or Life Master Service Fees will be charged \$2.00 additional fee per session. The playing fee for Youth members (25 years and younger) is \$7.00 per player. Juniors 19 and younger may play free.

Team Events: Every effort will be made to split brackets at logical masterpoint breaks, even if there are uneven number of teams in each bracket. If there is only one bracket, handicapping will be provided with a maximum of 1 IMP per board. All Swiss Team events use the 20 victory point scale. For Compact KOs only 4 player teams are allowed.
